ONLINE TRAINING

DURATION: 1 DAY

The online pre-course material focuses on pilot soft skills. The content of these courses are kept up-to-date with relevant industry information and ICAO recommended EBT training programs.

The program is a "working document" allowing us to add pertinent information or remove non-relevant information depending on operator-specific demands and requirements.

Students will also have access to "live" one-on-one sessions with a Simaero instructor, this can be booked through the portal at no extra charge.

Access to online training is available to the students for a 1 year period.
